

Announcement ceremony of the HNSciCloud tender results

[Iulia Popescu](#) | [28.10.2016](#) | [Blog](#) | [Share](#)

On 2 November 2016, the awards ceremony for the successful bidders of the Helix Nebula Science Cloud tender is taking place in Lyon, France, at the [CC-IN2P3 \(CNRS\)](#) premises, one of the main academic data centres in France and a procurer of the Helix Nebula Science Cloud (HNSciCloud). A total of 28 multinational companies, SMEs and public research organisations from 12 countries submitted bids during the summer.

The 4 winning consortia will be announced at the event and present their visions for the hybrid cloud platform. Please [register](#) now and meet the successful bidders in Lyon. For those who cannot join the event in in Lyon, a [webcast](#) of the event will be available.

Please see the [agenda](#) of the event.
