## The helix nebula science cloud (hnscloud — pre-commercial procurement).

**Buyer:** European Organization for Nuclear Research (CERN)

Add to watch list

---

### Description:

Under this PCP, R&D services will be procured from companies to develop solutions for the set-up of the HNSciCloud Hybrid Cloud Platform, taking into account the performance, security and management aspects of a hybrid cloud infrastructure, including technical standards, interoperability, portability, as well as building trust and confidence in cloud computing services. The innovative IaaS-level services will need to be integrated with a range of resources operated by public organisations and publicly funded e-infrastructures to form a hybrid cloud solution. The overall challenge of building the Hybrid Cloud Platform is based on 3 sub-challenges, taking into account all use cases (see Tender Document 2: Functional Specification).

### Country:

Switzerland

### Published date:

Jul 19 2016

### Deadline:

Sep 19 2016

**Value:**

EUR 5,300,000

**CPVs:**
