

## "Launching the Helix Nebula Science Cloud Prototype Phase" webcast event

21 Mar 2017 - *The Helix Nebula Science Cloud organises a webcast event "Launching the Helix Nebula Science Cloud Prototype Phase" on 3 April 2017. The winners of the bids to build the HNSciCloud prototypes will be announced at CERN during the "Launching the Helix Nebula Science Cloud Prototype Phase" webcast event.*

The award ceremony and the presentations of the solutions moving into the prototyping phase will be the focus of the webcast.
